RE: Auditor's Report – District Clerk, Review of Registry of the Court Accounts

SUMMARY

As required by Local Government Code 117.123, we performed an audit of the registry funds held by the District Clerk as of September 30, 2017. The objective of our audit was to determine whether the registry account balances were materially correct. We also determined whether collateral held jointly by the District Clerk and the depository was adequate. In our opinion, the District Clerk's registry account balances shown on the attached financial statements are presented fairly, in all material respects. We also found that the value of collateral held by the clerk and the depository exceeded the amounts required by the contract.

BACKGROUND

The registry accounts are funds deposited and held for a third party per court order or statute. The funds held in the registry do not belong to Tarrant County. Rather, the District Clerk holds the funds in a fiduciary capacity to satisfy a legal pleading or to await the outcome of a legal proceeding. The registry accounts are recorded into the Trust Information Management System (TIMS) application, the District Clerk's case management system. The clerk is responsible for the deposits, disbursements, and the investment of the registry funds. Currently, the registry accounts are held at JP Morgan Chase.

In accordance with Local Government Code Section 117.21, *Disbursements of Funds*, the Auditor's Office reviews and countersigns disbursements made from the District Clerk's Registry Accounts. The code states, "All checks or drafts issued for the disbursement of the registry fund must be submitted to the county auditor for the auditor's countersignature before delivery or payment. The county auditor may countersign the check only on written evidence of the order of the judge of the court in which the funds have been deposited, authorizing the disbursement of the funds."

During fiscal year 2017, the District Clerk's Office presented 2,736 checks totaling \$13,975,196 for the auditor's review and approval. The auditor approved and countersigned disbursements totaling \$13,819,014. Of the 2,736 checks presented to the Auditor's Office during FY2017 for review and countersignature from the registry account, 19 checks totaling \$156,182 were rejected for reasons such as an incorrect check amount or payee. The District Clerk's Office voided and reissued the 19 checks.

CLOSING REMARKS

We appreciate the cooperation of the District Clerk's staff during our audit. If you have any questions, please do not hesitate to call.

Sincerely,

Renee Tidwell, CPA
County Auditor
