

Office of County Judge
Tim O'Hare

VISION FOR TARRANT COUNTY

IN GOD WE TRUST

As recognized in our national motto, and in accordance with our nation's rich heritage, the Tarrant County Judge's office will be committed to honoring God in word and deed through every initiative, proclamation, resolution, and decision we pursue. We will prayerfully consider all impactful policies and actions.

MAINTAIN LAW AND ORDER

We will be dedicated to the safety and security of every man, woman, and child in Tarrant County, and will be fully devoted to ensuring that Tarrant County is the safest large county in Texas and the nation. We reject the notion that criminal acts are the fault of society rather than the lawbreaker. We will uplift and support our officers, first responders, and county agencies tasked with maintaining law and order.

BORDER SECURITY AND HUMAN TRAFFICKING

We reject border policies that encourage illegal immigration, embolden human traffickers, and allow deadly drugs like fentanyl to flood our streets, increasing costs for taxpayers and making our residents and their property less safe. We are committed to action that will put an end to this humanitarian and public safety crisis. We support a secure border.

MEANINGFUL TAX RELIEF AND IMPROVING EFFICIENCY IN GOVERNMENT

We will work to provide significant property tax relief for our taxpayers. We will work to reduce spending, implement a homestead exemption, limit bureaucratic hurdles, and eliminate waste, fraud, and abuse. We will scrutinize every tax dollar spent.

PROMOTE THE AMERICAN DREAM

We will promote policies that unlock individual potential and cultivate opportunity for everyone to start a business, chase their dream, and build their lives, free of unnecessary government burdens and regulations. The American dream is alive and well in Tarrant County.

UNLEASH FREE MARKET CAPITALISM AND PROMOTE EDUCATION

We will encourage economic growth and opportunity for all. We will foster a desirable environment for businesses to operate or relocate, to expand, and to create jobs. We will promote education and entrepreneurialism as keys to economic success and freedom.

TRANSPARENCY AND ETHICS

We will run a transparent office, open to all. We will conduct ourselves in an ethical manner, above reproach. We will work to ensure transparency and strong ethics in every department in Tarrant County. Integrity and honesty will serve as core principles that guide our actions.

EXEMPLARY SERVICE

We will be committed to delivering excellent service to every resident, business, taxpayer, and visitor we serve. We aim to exceed the highest levels of customer service existing in the private sector.

EMBRACE OUR WESTERN HERITAGE

The West begins here in Tarrant County. Our unique heritage, geography, natural resources, Stockyards, Stock Show and Rodeo, historic courthouse, and other cultural landmarks all make Tarrant County a place people love to call home. We will embrace Tarrant County's remarkable character and trailblazing history, as well as the Texas spirit of excellence, self-reliance, and can-do attitude in everything we do.
