#### **Program Goals**

To diverting low risk/low needs first-time drug offenders to a court-supervised program that will enhance public safety, reduce crime, hold offenders accountable, and increase sobriety among drug offenders

The First Offender Drug Program is designed to be minimalistic:

- Defendants will receive minimal supervision.
- There are no progressive sanctions.
- No illegal drug use
- No underage use of alcohol
- Any violation of program conditions or failure to meet all requirements will result in termination.
- Termination from First Offender Drug Program means that the defendant's case will proceed to formal sentencing based upon the original plea.

### First Offender Drug Program – Overview

- Offers non-violent offenders an opportunity to address and correct a mistake.
- Participants require minimal supervision
- Participants will be required to enter a plea of guilty and the judge will accept the plea and postpone sentencing pending completion of the program.
- Consists of both a misdemeanor and a felony track. Both tracks will require random drug testing, checking in with a case manager, hair testing and a drug education or life skills class.
- Upon successful completion of the program, the participant is allowed to withdraw their plea and the DA's office will dismiss the case. If the participant fails to successfully complete the program the case will proceed to sentencing based upon original plea.
- CASE ELIGIBLE FOR EXPUNCTION IF DISMISSED
