

Join us for a Caregiver Focus Group

Caregivers of persons with Alzheimer's and related dementias often feel lonely and unheard. Now is the time to be heard! Join Doni Green, Director of Aging Programs of the North Central Texas Area Agency on Aging for a focus group.

What we want from you:

- **What training and resources do you need?**
- **How well do your doctors diagnose, treat, and support you?**
- **How can doctors improve their dementia care?**
