REQUEST FOR PROPOSALS FOR THE STRUCTURED CABLING
MATERIALS AND SERVICES

QUESTIONS AND RESPONSES

1. On page 50 of the RFP, one of the items to price is Belden Cat-6 Media Twist, Plenum Blue Cable (Part # 1874A). The quantity shows 100 ft. This cable is usually priced per 1000'. Is the 100” quantity a misprint?
   Response: Yes, we are missing a ‘0’ from that item description. The item description should have read “Belden 1000 ft. Cat-6 Media Twist, Plenum Blue”.

2. If a lift is needed to install cabling, can the cost to rent the lift be included in the quote and invoice?
   Response: Yes, on rare occasions a lift is required to install cabling. The rental cost for a lift can be included in the quote and invoice.
