RE: Auditor's Report -- Cash Counts for the Three-Months Ending March 31, 2009

In accordance with the provisions of the Local Government Code, Sections 114.043, 115.003(a), and 130.902, we conducted 84 surprise cash counts, totaling \$87,280 during the three-months ending March 31, 2009, for Tarrant County fee offices that collect cash and other remittances and the Tarrant County Organized Crime Unit. Our objectives were to determine whether:

- cash and other remittances reconciled at the time of the cash count;
- change fund balances were authorized; and
- change funds were used only to make change in connection with collections payable to the County, and that the funds are not used to make loans, advances, or to cash checks or warrants of any kind.

The Auditor's Office uses a rotating quarterly cash count schedule. There were 64 authorized change funds and five cash funds located at the Tarrant County Organized Crime Unit, totaling \$88,555, as of March 31, 2009. Two new cash funds were issued and one closed during our review period. There were 37 locations that accept cash and remittances without a change fund.

As a result of our review, three locations had cash shortages totaling less than \$1. Management agreed to reimburse the cash shortages. In addition, no evidence existed that change funds or cash funds were used to make loans, advances, or cash checks or warrants.

We appreciate the cooperation of the County offices during our review. If you have any questions concerning this report, please don't hesitate to call.

Sincerely,

S. Renee Tidwell, CPA  
County Auditor
