# A Message from Commissioner Manny Ramirez

To our incredible Tarrant County Community, Merry Christmas!

It is that time of year when we come together with our families and neighbors and remember what is truly important. I am grateful for the many blessings in life. I am incredibly thankful for the opportunity to serve the 600,000 residents of Northwest Tarrant County.

This year, we have made historic strides to bring our county into the 21st century. From right sizing and reducing our budget to lowering property taxes to pursuing intelligent infrastructure investments, we are moving the needle at a record pace!

Residents have provided incredible feedback about this year's property tax decreases. Some have told us that their bills are more than 50% lower! As you know, we worked tirelessly in Tarrant County to craft a budget that provided the largest-ever tax decrease in history.

The goal is simple: to provide the highest quality of public service in the nation and to return as much money to our hardworking taxpayers as possible. We are excited to have accomplished both goals. And we're still going!

While we always keep a long view to prepare for the incoming population and economic growth, we have prioritized this year to support our existing residents, neighbors, and businesses dealing with decades-long problems.

When our neighbors in the Vista Ranch community told us they'd been dealing with dangerous railway blockages for decades, we sprang into action to solve the problem. We've planned and funded a creative solution to build a new road to this community, bypassing the rail crossing within the following year.

When our Silver Creek community reached out and told us about a new proposed landfill that would compromise the infrastructure and public health of the community, we rallied our state and local leaders and organized the opposition to the project. We 100% stand with this community as they seek to protect their quality of life.

To prepare for the future, we have allocated over \$45 million to redesign and rebuild major corridors in Northwest Tarrant County. We are working with our public and partners to build the first major East/West connector on Bonds Ranch Road. And we are working with our TxDOT partners to redesign and rebuild Boat Club Road completely. We are also working on dozens of corridor projects to improve mobility.

Our efforts to solve challenging problems and prepare for the future are a direct result of our conversations with our great communities. Please continue to contact our team with any concerns or suggestions; we will always be here to help.

Thank you for your continued support! Merry Christmas!

**Manny R. Ramirez**

Commissioner

Tarrant County, Texas | Precinct 4

# Bond Projects

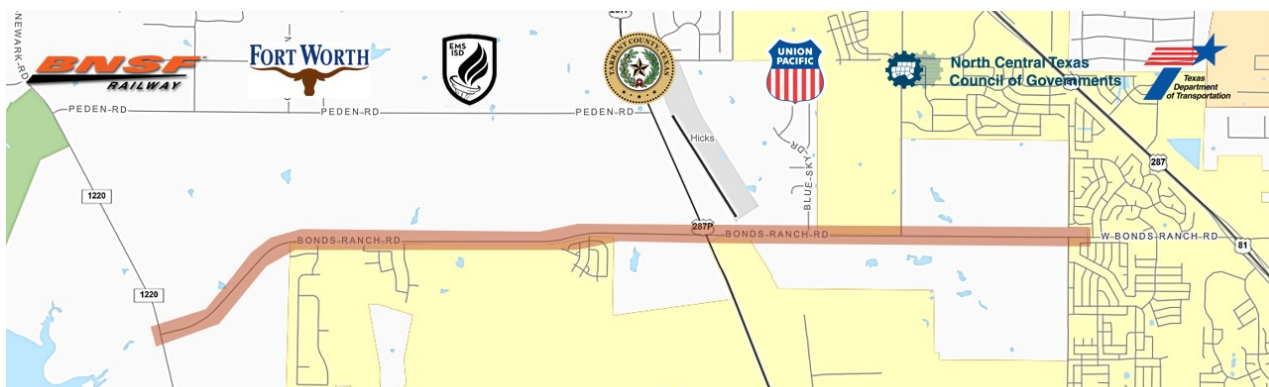

We are thrilled to share exciting updates on two major roadway projects funded through the 2021 Transportation Bond Package, marking significant progress in Tarrant County Precinct 4. These initiatives aim to address both growth and safety concerns, showcasing our commitment to enhancing the community's infrastructure.

We are encouraged by the progress we are making to manage the explosive growth that our precinct is experiencing. We will continue to look for common sense solutions and partnerships that allow our infrastructure to support those that use it every day, saving time from your commute to spend with your families.

## Boat Club Rd Overhaul: Balancing Safety and Convenience

The overhaul of Boat Club Rd addresses the need for adjustments following the installation of the median in 2020, which successfully reduced serious accidents but presented new challenges. In collaboration with TXDOT and the City of Fort Worth, we are pleased to announce funding for the design of a comprehensive north-south thoroughfare. With a widening of the roadway, additional lanes, and cohesive traffic signals, this initiative is designed to meet safety standards and support the daily needs of our vibrant community.

## Bonds Ranch Rd Expansion and Underpass Construction: Paving the Way for Progress

The expansion of Bonds Ranch Rd and the construction of an underpass at the intersection with Business 287 is a pivotal project that will eliminate at-grade rail crossings. This improvement is crucial for alleviating congestion and enhancing safety in the area, especially considering the anticipated growth, including the opening of a new high school. These enhancements will not only improve connectivity but also ensure the well-being of everyone traveling through this vital intersection.

# Highlights from Precinct 4

Commissioner Ramirez sat on a panel to speak about the great things happening in Tarrant County at the Texas Tribune Festival in Austin.

Lowering taxes, building infrastructure, supporting our incredible business community. Great things happen when we work together to solve tough problems.

On November 21st, 2023 the Tarrant County Commissioner's Court authorized an additional 3% raise for senior officers and moved forward with plans for a new training academy for the Tarrant County Sheriff's Office.

This is the largest single investment in law enforcement in the history of the Tarrant County Sheriff's Office! Commissioner Ramirez will always support law enforcement and public safety.

Commissioner Ramirez had the honor of attending the groundbreaking of the new **JPS Health Network and Cook Children's Las Vegas Trail Health center**.

A first of its kind public-private partnership, this health center will bring world class health services to this community, and save tax dollars in the process!

The center will also partner with LVTRise and the Fort Worth Police Department to provide critical services to the neighborhood.

On November 7th, Tarrant County had their 2023 United Way Campaign Kick-Off in Commissioners Court.

Precinct 4 brought back the Annual Fish Fry to benefit the United Way of Tarrant County. Thanks to our generous sponsors, we had a fantastic lineup of raffle prizes and our team did a fantastic job getting the fish cooked to a golden crisp.

We had a great turn out and want to thank everyone who was able to come out and support such a great cause!

Commissioner Ramirez had the opportunity to meet with concerned citizens from the Silver Creek area to share our opposition to a proposed landfill.

We discussed the lack of critical infrastructure necessary to support this development, and the devastating environmental impact it would have on the surrounding aquifers and water quality.

This incredible community is unified and we are committed to standing with them as they seek to protect their neighborhoods. Please join us on December 5th at 7:00pm at Brewer High School for a Texas Commission on Environmental Quality public hearing.

See the next page for a flyer regarding the public meeting notice.

# Precinct 4 Employee Spotlight

## Meet Hubert Clark, the Building Superintendent at the Precinct 4 Maintenance Facility.

Hubert has been with the precinct for 4 years; he started his career as an Equipment Operator II and has been promoted to Building Superintendent. In his current role, his skillset continues to expand, whether it be Carpentry, Plumbing, or Electrical, he never sits still. His willingness to assist others, and his daily contributions are vital parts of what makes Precinct 4 such a great precinct.

Hubert and his wife Lisa are very involved with their church, First Baptist Azle, where they teach Awanas. In the annual Christmas event, Journey to Bethlehem, Hubert plays a Roman Soldier.

Hubert enjoys barbecuing, cutting firewood, fishing, boating and just spending time with his family and friends.

Please join us in recognizing Hubert Clark for his dedication and service to Tarrant County and its citizens.

# Education Station

We are pleased to announce the noteworthy achievements of Castleberry High School and Haltom City High School at the recent UIL State competition.

Qualifying to advance to the State Competition is a testament to the dedication, perseverance, discipline, and teamwork demonstrated by these remarkable young musicians. The journey to UIL State is no small feat; it requires months of rigorous preparation and practice, beginning during the scorching heat of summer break and extending well into the crisp days of fall. The commitment and discipline displayed by these students in perfecting their performances were exemplary.

This success is a testament to the hard work and collaborative efforts of the students, educators, and families involved. Congratulations to Castleberry High School and Haltom City High School for their outstanding accomplishments.

## Community Spotlight

Our friends at First Baptist Azle Church have once again all come together as one, devoting their hearts and souls into giving back to our community this Christmas season. Consider this your invitation!

All are welcomed to visit them in Azle as they take you back in time where a first-century family will guide you on a live, interactive walkthrough journey to Bethlehem, experiencing biblical accounts surrounding Jesus' birth along the way. Come and enjoy a night of fun and excitement with your family, making this your new Holiday Tradition!
