NOTICE

from

Tarrant County Clerk

In order to increase attorney access to civil and probate records, the County Clerk's Office has implemented changes to Secure Attorney Access. Effective January 31, 2019, Secure Attorney Access subscribers are no longer required to be the attorney of record on a case in order to view case information and/or print documents, with the exception of non-public or sealed documents. Subscribing attorneys will now also have the ability to search for cases with a valid case number, party name, or attorney name.
