Overview

This research guide includes information and resources on the topic of garnishment. *Black's Law Dictionary* defines garnishment as “a judicial proceeding in which a creditor (or potential creditor) asks the court to order a third party who is indebted to or is bailee for the debtor to turn over to the creditor any of the debtor’s property (such as wages or bank accounts) held by that third party; a plaintiff initiates a garnishment action as a means of either prejudgment seizure or postjudgment collection.”
